"It is comforting to know that there is a place that my son can attend that allows him to try new things and meet new people in an environment that will not ridicule him, but will help him grow and cope in social situations"  
-WMLC Parent

## Daily Activities:

**Superflex® & Hidden Curriculum:** Mini social skills lessons based on "Superflex®," by Michelle Garcia Winner (younger campers) and "The Hidden Curriculum," by Brenda Smith Myles (older campers).

**Movement:** is a time for simple and enjoyable movement activities to increase experiences with whole brain learning, designed to get the brain and body working together and organize the sensory system so sensory input is processed and integrated more effectively.

**Hands-On-Labs & Therapeutic Art:** STEM based projects, crafts and experiments and art exercises that increase self-esteem, self-awareness and provide a feeling of success in artistic expression and communication, allowing participants to engage in therapeutic exercises without judgment.

**Recess:** is divided into a guided play experience for clients to learn rules, written and unwritten, for common recess games and free time for clients to do what they enjoy doing with friends at the park or on the playground.

**Learning Lunch:** provides an environment for skill development during lunch time. The environment is conducive to learning and increasing daily living and independence skills, increasing social skills such as reciprocal conversations, learning and increasing use of manners during meal times, and increasing friendship behaviors.

**Fantastic Field Trips:** Outings include swimming, museums, bowling, golfing, hiking and much more!
