- 4th Student: \$1815 (\$265 discount, \$66.25 ea.)

\* After the fourth student, regular rate is applied.

## Why use an ESY program?

Extended School Year (ESY) services help ensure that children on the spectrum (or with any learning disability) are able to continue learning over the summer in the same way their peers do.

Because of developmental differences, children without disabilities continue to learn even while not in school, while children with disabilities may need the structure of the classroom to continue learning in the same way and be on par with their peers.

School districts provide ESY services to a student if the IEP Team determines the services are necessary during a break in instruction in order to provide a free appropriate public education. At least annually, the IEP Team will determine a student's need for ESY services if the student meets the conditions of item A, B or C:

A. There will be a significant regression of a skill or acquired knowledge from the student's level of performance on an annual goal that requires more than the length of the break in instruction to recoup unless the IEP Team determines a shorter time for recoupment is more appropriate.

B. Services are necessary for the student to attain and maintain self sufficiency because of the critical nature of the skill addressed by an annual goal, the pupil's age, and level of development and the timeliness of teaching the skill.

C. The IEP Team otherwise determines, given the student's unique needs, that ESY services are necessary to ensure the student receives a free appropriate public education.

## IEP-Based 1:1 Tutoring

Individualized tutoring is offered for students with significant social/behavioral and/or academic needs specific to IEP goals and objectives. Tutoring can be tailored to meet the needs of any student requiring ESY services. \$60/hr.

## Day Camp\*

We encourage WMLC ESY students to attend day camp sessions to enhance generalization of the skills learned during social skills therapy.

- 1/2 day: \$65/session (AM: 9-12; PM 1-4).
- Recess and learning lunch: \$15/session (noon - 1 p.m.)

\* ESY participants must be enrolled in a social skills group, either on-site or off-site in order to attend day camp, FEA's, or sleepovers. This is to ensure that all participants are equipped with the basic skills necessary to keep these activities fun and successful for everyone.

## Friday Excellent Adventures (FEA's)\*

FEA's are offered most Fridays from June to August from 10 a.m.-4 p.m. FEA activities may include Valleyfair, Minnesota Zoo, water parks and so much more! For more details, please visit the website, or the

Summer Registration Form.

- Must be 8+ years of age
- \$180/session plus admission fees and optional spending money.
