

OCTOBER 24TH – 25TH, 2020

SLEEPOVER

Galaxy Drive-In and Water Lanterns

Join us for as we light up the sky on this fun-packed October night. We will gather at WMLC and drop off our belongings at our rooms. When everyone has arrived, we will head to Galaxy Drive-In for an “out of this world” dinner. We will sit on blankets in the grass and maybe even roast marshmallows over the fire. After dinner, we will head back to West Metro, where we will decorate flying lanterns to release down by the commons. Watch as your lantern floats into space. In the morning, we will have breakfast and pack up our belongings. We will spend time together while we wait to be picked up.

Outing Goals: Reciprocal conversation relevant to activities, community etiquette, visual referencing to keep track of the group

Sleepover Cost: \$195

Outing Cost: \$15

Items to Bring: Change of clothes, clothes to sleep in, sleeping bag, pillow, sleep pad or air mattress, medication and any other necessities

Optional Items to Bring: Electronic games are okay to bring, but staff will let you know when they can be used.

Drop Off at 5:00pm
Saturday
